14:15	Beyond Behaviour Based Safety – Transforming a leader's Safety DnA	Road Transport: What does it take to design an effective Road Safety Program	What to look out for in designing a Workplace Industrial Hygiene Program
	<i>Andrew Rodgers, DuPont Sustainable Solutions, Sub-Saharan Africa</i>	Stephen Muchoki, HSE Manager, Vivo Energy/ Habel Okema Bamburi Cement	<i>Diana Ruchugo, Health Coordinator , Lafarge East Africa,</i>
	DuPont has directly challenged the current thinking and practice of looking to “behavioral based” safety programs to drive a step change in safety performance. Recognizing the missing link, Andrew will share the key to unlocking better safety performance by addressing the root cause of why people behave unsafely.	Steve & Habel will discuss innovations and solutions in Road Transport Safety Management. Drawing from the experience of Vivo Energy & Bamburi Cement, the Duo will provide great tips on how to craft a Company Road Safety Policy and Program	Diana will share a practical approach to measuring, monitoring and controlling stressors in the workplace and how to deliver a high impact industrial hygiene program.
