

DAY 2: FRIDAY 26 SEPTEMBER 2014

AHOSH-K Conference 2014

'Networking for World Class Safety and Health'

CONFERENCE PROGRAM

07:30 Networking Breakfast

08:30 Opening Remarks & Recap of Day 1

George Oketch, Secretary General, AHOSH-K

08:45 Exploring amazing tools in Incident Investigation and Root cause Analysis.

Sanjay Gandhi, COO Kurrent Technologies LTD.

When it comes to incident investigation, there are always causal factors and root causes. Unfortunately many investigation reports are never deep enough to identify the real points of failure, Sanjay will dive deep to reveal various dimensions in incident investigation and bust the myth that for every incident, there is always one root cause. Sitting through this workshop will inject a new life into your corrective actions planning and get you to be effective in addressing and taming the problem and curtailing recurrence.

10:15 Leveraging on Health & Safety to Create a Winning Business Model:

Peter Solomon, Du Pont Sustainable Solutions, Geneva Office.

Becoming a world Leader in Occupational Safety and Health has been one big success story for Dupont. This has been a culmination of years of systematic analysis, Planning and meticulous execution of HSE programs and interventions. Peter will walk us through this journey while challenging the delegates to start the first steps to transformation.

11:15 Morning Refreshments & Safety and Health Expo 2014

11:45 Kenya Occupational Safety & Health Policy,

Charles Mburu, Council Member NACOSH, Program Head, M.Sc. Occupational Safety & Health Training, JKUAT.

Charles will engage the participants on a discussion on the Government Policy on Occupational Safety and Health. Participants will be taken through a detailed review of both challenges and progress made since independence to make workplaces safe and guarantee the health of workers.

12:30 Your Question answered

In this unique session all the delegates will have a chance to ask questions, seek advice and received answers that will be crowd sourced.

13:30 Lunch and Safety and Health Expo
